# Team Newsletter

November 25, 2017

---

## Introductory

Can you believe that we are only 42 days away from kickoff? That means that we have a lot of events coming up, and I really want to make sure that everyone knows about them! Please read the newsletter, **especially the upcoming events**. We are in dire need for volunteers on December 27th! If you are able to help please fill out the form. There is a link below, and it only takes a few minutes to fill out. If you plan on going to the competition in March, then it is important that you really participate, as we are not going to be able to take everyone down, unless more parents are able to drive. If you want to get a spot to go up to the competition make sure that you come in nearly every day once the build season starts.

Let's have a great couple of weeks before the build season!

- Nolan Tremelling

## General Updates

There will be a Boy Scout Robotics Merit Badge Workshop on December 27th, 2017. The workshop will run from 8:00 AM until 3:00 PM. There will be 32 Boy Scouts at Walden, and it is important that there are volunteers to run the event. We need 8 more volunteers to run this event. Lunch will be provided for all volunteers. This can count as volunteer time for ROPE. If you are able to help, please fill out this google form as soon as possible: [Robotics Merit Badge Volunteer Signup](#).

It is essential that all team members officially sign up for the team through the FIRST website. Even if you filled out a form and got approved, you still have to do this. All you have to do is make an account at <https://www.firstinspires.org/> and click "sign up." Enter some information about yourself and then "apply" for Team 6643 Walnuts and Bolts.

A sponsor meeting will occur on December 27th, 2017. If you are interested in helping with this, please sign up to volunteer with the [Robotics Merit Badge Volunteer Signup](#)

Please fill out the [Walnuts and Bolts Pre-Participation Form](#) so that we have a better understanding of the team's function in relation to each student. The information entered on the form will not be shared. Names are required only to determine who has completed the form.

## Upcoming Events
